

SOUR CREAM TREAT POUCH

1. 4 X 5 ½" Designer Series paper
2. Apply Sticky Strip where the pattern is shaded
3. Start with 4" edge and roll in cylinder shape (like a paper toilet roll)
4. Next squeeze the bottom (were the sticky strip is) together with the seam on the edge.
5. Add small gift or treats
6. Then press the top in the opposite direction (like a take out sour cream)
7. Punch Hole in top and tie together with a ribbon

Regular cardstock stamped or cardstock vellum work great too! You can crimp the bottoms to give it an extra touch.
