Instructions:

1. Fold your Whisper White Thick cardstock (5 1/2" x 8 1/2") in half to create card base.
2. Adhere the Candy Cane Designer Series Paper (2" x 5 1/2") to the bottom of the card front about 3/4" from the bottom.
3. Punch the Real Red Cardstock (3/4" x 5 1/4") with the Banner Triple punch to create banner tip.
4. Adhere the Real Red to the center of the designer paper with the banner tip to the left hand side and the straight edge on the right hand side.
5. Stamp 3 ginger bread men in Soft Suede Classic Ink on Whisper White cardstock (2 1/2" x 5 1/2") and punch out with the Cookie Cutter Builder Punch.
6. Adhere the gingerbread cookies in a row on top of the Real Red banner.
7. Stamp "Warm Heartfel Greetings for a Very Merry Christmas" in Real Red in the lower right hand corner of the card.
8. Punch out a heart from the Red Glimmer Paper using the Cookie Cutter Builder Punch and place it on the center gingerbread cookie.
9. Stamp your greeting inside.
